A. Business

1. Site Visit of E. Oltedale West Greenwich Community Center

E. Liese provided a tour of the West Greenwich Community Center and explained the meeting space, small kitchen use, outdoor space with children's playground, outdoor pavilion, and senior garden.

She further explained building uses and function for community events.

It was noted the meeting space and kitchen appear to be too small for all the desired needs however, the location and outdoor space provided is attractive.
