Why is it that our children can't read a Bible in school, but they can in prison?

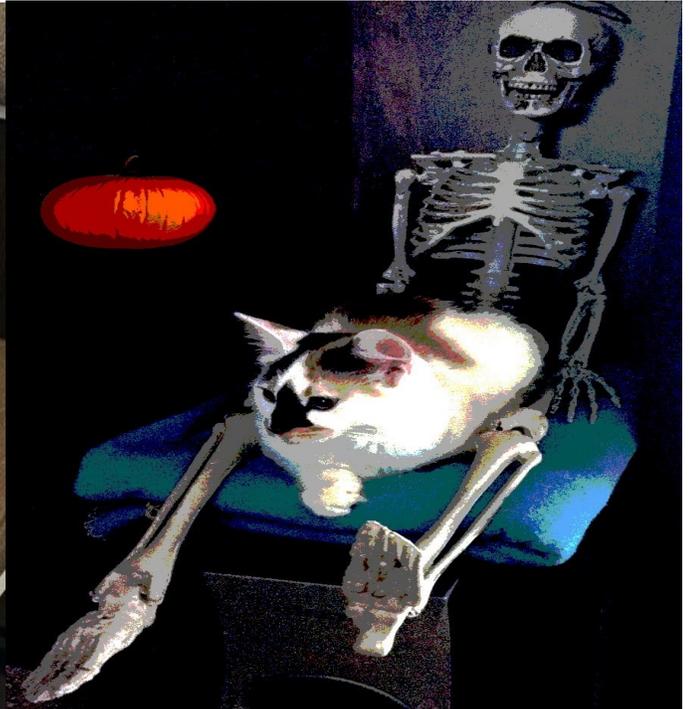

How come we choose from just two people to run for President and over fifty for Miss America?

Don't argue with an idiot; people watching may not be able to tell the difference.

When I was young we used to go 'skinny dipping.' Now I just 'chunky dunk.'

Continuing saga of Loki & Lola. These two are all tuckered out from all their busy activities... Loki wasn't scared of that old skeleton. He made himself at home. What's to come next month ?

*My day starts backwards.
I wake up tired
and go to bed wide awake!*

I finally figured out
what I want to be
when I get older....
YOUNGER!!

Don't get all weird about
getting older!
Our age is merely the number
of years the world has been
enjoying us!!

Some of the Ladies in the Crafts program visited the South Kingstown Nursing home on Route 2. They brought some fantastic items made in the Crafts Program. The Administrator called after their visit and expressed her deep appreciation for the gifts. The residents were equally pleased with the items.

Below are a few of the pictures from their visit.

Thanks to Joan St.Clair, Dottie Barber and June Quinlan for making the trip.

Here's an observation you can help me with...

On Route 138 in Richmond there are two different colored fire hydrants. Some are Green with a Red top and the others are Yellow with a green tops. Why do you suppose that is? Call or e-mail me if you know why.

Here's what's cooking:

From my good friend Betty Crocker
Easy Garlic and Rosemary Chicken

INGREDIENTS:

2 skinless boneless chicken breasts
2 garlic, chopped
2 tablespoons dried rosemary
2 tablespoons lemon juice
Salt & pepper to taste

DIRECTIONS:

Set oven to 375 degrees
Cover the chicken breasts with garlic, then sprinkle with rosemary, lemon juice and salt & pepper. Place in 9X13 inch baking dish and bake for 25 mins or until done
And juices run clear. Thank you Betty.
