# JOIN THE RICHMOND ENERGY CHALLENGE

## Reduce your use!

The Rhode Island Energy Challenge is a dynamic, grassroots energy efficiency campaign designed to help you, your neighbors and town officials make smart energy choices now and for the future.

Help Richmond become a Rhode Island Energy Champion and receive a \$10,000 grant for an energy efficiency project on municipal property.

# HELP RICHMOND WIN!

Here are some ways to reduce your use:

-  Sign up for a no-cost EnergyWise home energy assessment which includes direct installation of energy saving lights and other items.
-  Learn about special incentives and rebates on energy efficiency products and equipment.
-  Participate in a community-wide energy efficiency event.
-  Check us out on Facebook: @RIEnergyChallenge and give us a like!
-  Follow us on Twitter @ReduceYourUseRI
