HERE WITH YOU. HERE FOR YOU.

JOIN THE RICHMOND ENERGY CHALLENGE

Reduce your use!

The Rhode Island Energy Challenge is a dynamic, grassroots energy efficiency campaign designed to help you, your neighbors and town officials make smart energy choices now and for the future.

Lower your energy costs and help Richmond become a Rhode Island Energy Champion and receive a \$10,000 grant for an energy efficiency project on municipal property from National Grid.

You can help by:

- ▶ Signing up for a no-cost EnergyWise home energy assessment which includes direct installation of energy saving light bulbs and other items.
 - ▶ Visit <http://www.rienergychallenge.com/>
 - ▶ In the drop down list, "How did you hear about the EnergyWise Program?," select RI Energy Challenge/Find Your Four
- ▶ Recycle your old, inefficient refrigerator or freezer. We'll pick it up at no cost at a time that's convenient for you. Plus, you'll save up to \$150 a year in avoided electric costs and you'll save even more with a \$50 rebate from National Grid.
 - ▶ Schedule a recycling appointment online or call 1-877-889-4762 to schedule by phone.

Thank you for your commitment to Reduce Your Use and to help your town become a Rhode Island Energy Champion!

Questions or comments? Please email: info@rienergychallenge.com

These programs are funded by the energy efficiency charge on all customers' gas and electric bills, in accordance with Rhode Island law.
