

New this year!
Richmond Recreation presents...
Pumpkin Carving Contest

We are hoping to make Halloween extra-special for your little ones this year by providing a COVID-safe holiday event!

Carve a pumpkin and leave it on the porch at the Town Hall between October 24th and 28th. Judging will take place on October 29th, and all pumpkins will be lit up by staff on Halloween for everyone to enjoy. (Please, no real/lit candles)

Participants should email Sally Lambert at recreation@richmondri.com to be assigned a number which should be written in permanent marker on the back of your pumpkin. Pumpkins should have a removable top for lighting and should be left on the porch on the Chariho Furniture side of the building.

Prizes will be awarded for:

Most Creative
Spookiest
Top of the Patch
